Youth Sports Mission Statement

In pursuit of excellence in youth sports, we are committed to creating a positive environment for our youth's participation in and enjoyment of recreational sports.

Program Philosophy

The City of Colorado Springs Parks, Recreation and Cultural Services Department (PRCS) Youth Sports Program philosophy is to instill a positive attitude, sportsmanship, basic fundamentals, confidence, and high moral standards. Youth Sports Programs develop the physical, psychological, and social aspects for youth. Our programs emphasize participation, fun, sportsmanship, and promotes a non-competitive, recreational approach to sports. Participants, parents, and coaches are expected to support this value system.

Players may not waive into the program.

How are leagues organized?

1. The leagues are based on the number of teams in each division and the number of players at the practice locations.
2. Practice sites that do not have enough players to make a team will be relocated to the nearest available practice location needing players. Relocated players will be notified.

What if this activity is not for my child?

- Once the activity has started but is not yet 50% complete, the individual withdrawing can be refunded|credited 50% of the registration price.

You can't see a concussion.

Signs and symptoms of concussion can show up right after the hit/fall or may not appear or be noticed until days or weeks after the injury.

If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.
